

## MID-GEORGIA SOARING ASSOCIATION

### Remote Camp Equipment Checklist

#### GLIDER OPERATIONS

- Radios:
  - Handhelds with chargers.
  - Base station (Base station only goes to Cordele for the contest and XC camp, it does not travel to Chilhowee).
- Batteries: One for each glider traveling with its color-coded charger. WW has 2 Batteries and chargers.
- Parachutes: One for every seat of gliders traveling (select best fit choices). Check packing currency!
- Ballast: Ballast kit for each glider traveling.
- Cleaning supplies:
  - Wash bucket.
  - Soap, wax, rags.
  - Canopy cleaner.
  - Tape glue remover.
- OD Clipboard with log sheets and pens (to Cordele only).
- Seat Cushions.
- Wing stand(s) with each glider.
- Tail Dollies with each glider.
- Pin grease.
- Wing tape.
- Club tool box to include tire gauge, tire inflater with battery and charger.
- Spare tires & tubes (?)
- Canopy covers.
- Ground tow ropes.
- Tie Downs for trailer and gliders.
  - Verify each trailer has a "Claw" tie down kit for the trailer, and a tie down kit for the glider. Make sure each kit is complete. Each glider tie down kit is type specific! Instructions with pictures are in each bag.
- Water Jug.

Club Tent and chairs stay in Monroe. BRING YOUR OWN!!!

**PAWNEE EQUIPMENT:** Applicable for Cordele Cross Country Camp and Regional Contest and Perry Contest.

- Go kit container, containing:
  - Grease gun.
